CHINA SOURCING FOR RV & OUTDOOR ACCESSORIES

Add Chinese-made products without adding sourcing risk.

We help RV, caravan and outdoor retailers compare manufacturers, control samples and specifications, check production and coordinate shipment, with the factory price and our service fee shown separately.

2019
Registered in Xi'an, Shaanxi, China

RV & outdoor
Focused product category, not general merchandise

Factory comparison
Like-for-like quotes from qualified suppliers

Transparent fee
Agreed in writing before any order

WHAT WE DO

01 **Buyer requirement review**
Turn your photo, sample or target price into a factory-ready specification and RFQ.

02 **Factory shortlist & comparison**
Compare FOB price, MOQ, sample cost, lead time, tooling, packaging and payment terms.

03 **Sample & specification control**
Check materials, dimensions, hardware, colours, labels and packaging against the approved sample.

04 **Private label & packaging**
Coordinate artwork, barcodes, carry bags, carton marks and retail-ready packaging.

05 **Pre-shipment inspection**
Quantity, appearance, function, packing and carton checks before balance payment or shipment.

06 **Shipment coordination**
Work with your forwarder or ours on FOB, EXW, consolidation and export documents.

CURRENT FOCUS RANGE

Awning tie-down kits | Reflective straps | Screw-in pegs | Storm straps | Carry bags | Caravan accessories

HOW A PROJECT RUNS

STEP 1
Send your spec
Photo, sample, dimensions, target quantity and destination.

STEP 2
Compare
Receive a like-for-like factory and cost comparison.

STEP 3
Approve
Confirm sample, packaging and inspection criteria.

STEP 4
Produce & ship
Monitor production, inspect, then coordinate shipment.

COMMERCIAL MODEL

Independent sourcing partner, not a factory.

The factory invoice is disclosed to the buyer. Our sourcing fee is **3% of the confirmed FOB order value, minimum USD 300 per order**, paid by the buyer and stated in writing before the order.

We do not add a hidden markup or take an undisclosed supplier commission. Samples, testing, third-party inspection and freight are quoted separately.
